2015 Term 2, Week 6

Principal's Message

Secondary School House Athletics

The preparations are all in place for the annual Secondary School House Athletics Carnival, which is being held at Homebush next Tuesday 2 June. The competition is friendly but keen between our four houses of Stuart (red), Tudor (purple), Windsor (green) and York (blue). The Year 12 girls in each House lead the chants and as many girls as possible have the opportunity to compete in events on the day - all earning House points. There are ribbons for placegetters and various awards for individual competitors and an overall House Cup. House points earned go toward the annual House award, announced and presented at Speech Day (Wednesday 2 December). Best wishes to all for a great day.

Best wishes to Junior Debaters

We have many keen debaters at Ravenswood and it is wonderful to see the girls sharpening their skills over the season. Best wishes and good luck to Year 6 debaters for the ISDA semi-finals debating against St Aloysius’ College at Scots College on Friday.

Our Uniform

Ravenswood has a smart uniform which looks great when worn well. Can I ask for parents’ assistance please, to ensure that each girl wears the uniform correctly, from the time she leaves home in the morning to returning in the afternoon. Here are a few tips for the winter uniform:

- blazer should be worn as the outer garment to and from school (NO jumpers)
- short sleeved shirt with the crest may be worn to and from school on warmer days - this has been specifically designed as a trans-seasonal item
- navy tights are preferred
- if socks are worn, they must be navy and knee high (NO ankle socks)
- dress and skirt length should be knee length
- one set of small, plain silver or gold studs may be worn.

Thank you for your assistance in reminding your daughter of the school’s expectations of student presentation in the community.

Gordon Interchange and Multi-Storey Commuter Car Park Upgrade

Transport NSW will be opening the new bus interchange on Monday 1 June. Ravenswood students will continue using the current pedestrian route to the station.

Following the opening of the new interchange, Kuring-gai Council will begin construction of a new pedestrian crossing on Henry Street, near the temporary bus stops.

Transport NSW will keep us updated on the progress of this work, as it will determine the date of the car park opening, as well as pedestrian route changes for our students.

Please see the flyer in the Community section of this Newsletter.

Ms Vicki Steer
Chaplain's Message

Good religion is giving. It is never really about religious rituals (although those can be helpful). It is never just about doctrine and dogma (although those can be helpful). It is about applied faith. It is about active compassion, proactive justice making and lived self-giving love.

Religion, at least the Jesus kind, is about discipleship which renders us vulnerable to the humbling and transforming truth and guidance of God. It is not about judging who is in and who is out. It is not about condemnation and fear. It is about active redemption that works for the good in all people, in this life, not just for the life to come. It is the stuff of faith, hope and love - and not just as abstract concepts but as lived realities.

It may be other things as well but at the core of the Scriptures, there is a clear thread that it is less to do with what token offerings we give to God, as praise and worship but more as a total giving of ourselves to God. We can be made whole in God's love and be an outworking of God's love for others in self-giving service, to release the potential that exists in everyone and in the whole of creation. Well that's what I think anyway. God bless.

Rev Jon Humphries

Whole School

Adults' Evening Language Courses

Please see the flyers in the Community section of the Newsletter, providing information on courses provided by Ravenswood, in both learning Chinese and Japanese.

The aim of these classes is to introduce you to the language and culture, to equip you not only to assist your daughter’s language studies but also to acquire some language skills yourself.

Vivent les langues!

Mrs Bronwen Calcraft, Languages Coordinator

From the Health Care Unit

A student has been diagnosed with Whooping Cough (Pertussis). Whooping cough usually causes a feeling of being generally unwell, with an accompanying deep harsh cough that tends to occur in bouts.

Whooping cough is spread by direct contact with the droplets from the nose and throat of an infected person during coughing. If your daughter develops these symptoms, please take her to your doctor as soon as practical.

To help prevent this infection spreading, students who have been diagnosed with pertussis should not attend school until they have completed five days of a course of a recommended antibiotic. If antibiotics cannot be taken, then they must stay away for three weeks after onset of the cough.

The Diptheria, Tetanus, Pertussis (Triple Antigen) vaccine is included in the normal childhood vaccination schedule. Unfortunately, immunity created by this vaccine is not lifelong and children who have been vaccinated can still get the disease.
It is important to double check that your daughter is fully up-to-date with her immunisations against pertussis. If in doubt, please ask your doctor to check. For further information, please contact the Public Health Unit on (02) 9477 9400.

Ms Karen Fessey, Registered Nurse

Extra-Curricular Photo Shoot

The Extra-Curricular photos taken yesterday, will be available to purchase towards the end of Term 3 or at the start of Term 4. All photos will be available for purchase online, after the photos from our second Extra-Curricular photo day on Tuesday 11 August have been processed and proofed. More information about how to place orders will be sent via the Newsletter, when the photographs are ready.

Uniform Centre

Maths Help 2015

Junior School
From the Head of Junior School

Explore 100
As we approach 100 days of learning in the Junior School, and the end of the first semester, we felt it might be nice to have a small celebration during the last week of term. You are very welcome to join us on Wednesday 17 June 9.00am-12.00pm.

Classrooms will be open and many of the girls will be involved in a range of activities which explore the theme of 100.

The day will also be open to prospective families. Please register your interest at http://www.trybooking.com/138762 for catering purposes, as the day will end with a lunchtime sausage sizzle. If you have younger children - girls or boys who are not yet at school but would like to participate in a range of fun activities such as dance or clay modelling, please register this at http://www.trybooking.com/138762 so we know how many children we need to accommodate. (Please be assured we are not looking at enrolling boys - we just felt for a family event it was a shame to exclude those young boys who might want to visit their big sister at school).

Please contact Enrolments on 9498 9908 or email enrol@ravenswood.nsw.edu.au for more information.

Due to the inclement weather last Friday, the Years 3-6 Athletics Carnival was postponed. Plans are currently underway to reorganise this event in a shortened form. Details will be sent home to families as soon as they are completed.
This week, our community came together for the Years 3-4 Father/Daughter Breakfast. The Prefects spoke eloquently about their relationships with their fathers and how a father becomes a dad, discussing the importance of the father/daughter relationship. The Father/Daughter Breakfast Program is well attended and a good way for our fathers to spend time with other fathers and their daughters. Thank you to all who attended this week’s Breakfast.

On Monday 1 June, a number of girls from Years 3-6 will participate in the ICAS Science Competition.

**End of Term 2 Chapel Service**

The staff and students of Junior School
Warmly invite all parents and friends to the
End-Of-Term 2 Chapel Service
Tuesday 16 June 9.20am-10.00am
At the Ravenswood Chapel

**Road Rule Reminder Signs**

These signs are to refresh parents about what parking signs mean and the associated fines, along with other important road rules.

*Mrs Cheryl Bailey, Head of Junior School*
Crunch&Sip®

Fresh fruit and vegetables are the best option for Crunch&Sip®. Small portions of dried fruit (e.g. 4 dried apricots, 1.5 tablespoons of sultanas) are permitted but only occasionally, e.g. once a week. Fruit products such as fruit leathers, roll-ups and sticky muesli bars are not permitted, as they are often high in sugar.

Mrs Melissa Mülle

RPA Junior School Year Group News

Kindy: Family Picnic, Sunday 21 June from 12.00 noon

Please join Kindy families for a picnic at Winnererremy Bay Foreshore Reserve. Please RSVP to Mark Nelson on 0424 152 738, with the number of attendees. Full details are on the Parent Portal.

Year 1: Coffee Catch-Up, Tuesday 9 June from 8.30am

Year 1 parents are invited to a coffee morning at The Runaway Spoon, Lindfield. We hope to see you there.

Year 4: Mums’ Night Out, Saturday 13 June at 7.00pm

Please join Year 4 mums for a casual night out at Salt-Pepper-Nutmeg, 110 Pacific Highway Roseville. Order and pay as you go. RSVP by Monday 1 June to Lina or Eva. Please refer to the Parent Portal for full details.

Secondary School

Year 8 Parent/Teacher/Student Conferences

Year 8 Parent/Teacher/Student Conferences will be held on Monday 15 June from 4.00pm-7.00pm.

All appointments will be made online and information regarding the process was emailed to all parents on Monday 18 May. If you have not received your notification, please send an email to secondaryschool@ravenswood.nsw.edu.au. Please be mindful that the deadline for booking your appointment times is Sunday 14 June.

Year 8 Subject Information Evening for Year 9 2016

Parents of students in Year 8, are invited to attend the Year 8 Subject Information Evening on Tuesday 9 June from 4.00pm-6.30pm in the Centenary Centre Foyer and Assembly Hall.
This *expo style* information session will enable you and your daughter to obtain information about the courses that will be offered for Stage 5 (Years 9 and 10) in 2016 and 2017. Subject Coordinators and teachers will be present to answer questions about the courses.

**Year 9 Parent/Teacher/Student Conferences**

Year 9 Parent/Teacher/Student Conferences will be held on Thursday 4 June from 4.00pm-7.00pm.

All appointments will be made online and information regarding the process was emailed to all parents on Friday 15 May. If you have not received your notification, please send an email to secondaryschool@ravenswood.nsw.edu.au. Please be mindful that the deadline for booking your appointment times is Tuesday 2 June.

**Year 9 information session about the Year 10 2016 Global Experience Program**

Any current Year 9 student who would like to consider taking part in Ravenswood’s Global Experience Program in 2016, should attend an Information session with their parents on Monday 1 June at 7.00pm in the Auditorium.

Ravenswood currently has exchanges with schools in Canada, China, England, France, Germany, Japan, New Zealand and the USA.

This is a fabulous opportunity and you are warmly invited to come along and learn more about the Program, hear from those girls who have recently been on exchange and speak with them about their experiences. Application forms for exchange will be distributed at this session.

**Experience IB Day**

A highlight of the year for girls in Year 9 is the Experience IB Day. All of our Year 9 students (and those who joined the school in Year 10) will participate on Wednesday 17 June, in order to experience this programme for a day.

Students will rotate through a series of lessons run by IB teachers and Year 11 students, who are keen to demonstrate what they have learned in the first 100 days of their IB Diploma Programme. In addition, each student will complete an activity designed to identify their Learner Profile. This will benefit them in their future learning regardless of what pathway they choose to study, the IB Diploma or the HSC. We hope that at the end of the day your daughter will be more informed about her exit credential options and excited to have gained insight into her Learner Profile.

Ravenswood offers its senior students the choice of the IB Diploma or the HSC exit credential. The IB Diploma is a rigorous two year course, recognised both in Australia and internationally as university matriculation, providing access to tertiary education worldwide. The IB Diploma also provides the opportunity to study subjects not available through the HSC, including Psychology and Social Anthropology.

You can learn more by visiting the [IB Diploma page on our website](http://www.ravenswood.nsw.edu.au/experienceIB) or visit our online [IB Diploma tour](http://www.ravenswood.nsw.edu.au/experienceIB), to listen to our current students talk about their experience of studying the IB Diploma.

We are also opening this day to students currently at other schools who may be interested in studying the IB. If you or your daughter know of a girl who is interested in exploring the IB for a day, please ask her or her parents to visit our website for more information: [www.ravenswood.nsw.edu.au/experienceIB](http://www.ravenswood.nsw.edu.au/experienceIB).
Year 10 students travelling to exchange schools this year

For those students in Year 10 taking part in the 2015 Global Experience Program, it is my pleasure to invite parents and daughters to an information session on Wednesday 10 June at 4.00pm, in Room A0.03 (ground level of the Mabel Fidler Building).

We will discuss a range of issues regarding being a host family and a travelling exchange student and a number of 2014 Global Experience students will be present to speak with and answer any questions you may have. Would you please be kind enough to RSVP to Mrs Suellen Oakley soakley@ravenswood.nsw.edu.au. I look forward to seeing you all on 10 June.

Mr David Garner, Deputy Principal - Head of Secondary School

STEM Incursion

On Friday 5 June, Year 7 students will be involved in a STEM incursion. In April 2015, PwC published a report Future proofing Australia’s workforce by growing skills in science, technology, engineering and maths (STEM).

The report includes the startling statistic that 44% of current jobs in the Australian workforce are at risk from digital disruption. According to the report, innovation and STEM education are essential for future growth. The report concludes, ‘Australia needs a workforce that is technologically savvy and able to innovate. And one of the best ways to do this is by improving capabilities in STEM.’

At Ravenswood, we are taking seriously the need to equip and inspire your daughters to envisage themselves as creators of the global future, by immersing them in exciting STEM projects. All students in Year 7 will be building a Pi-Bot in their semesterised Mandatory Technology program this year, as well as working through a range of exciting STEM activities over two sessions - the first of these will be held on 5 June and the second will be held in Term 4. A committed group of Mathematics, Science and Technology teachers will be joined by volunteers from UNSW’s Robogals, to deliver a range of learning experiences over the course of the two days.

On 5 June, all Year 7 students will require their laptops (fully charged) and their chargers, for the day. We will be using several spaces throughout the school including the LRC, MSLS and new Science labs and look forward to a day of discovery and exploration.

Mrs Terrie Jones, Deputy Principal - Head of Learning and Innovation

Learning Resources Centre Holiday Study

Holiday study will be operating in the LRC during the Term 2 holidays for Ravenswood students in Years 7-12.

Dates and hours are:

Week 1: Monday 22 - Friday 26 June - Closed

Week 2: Monday 29 June - Friday 3 July 10.00am-4.00pm

Week 3: Monday 6 - Friday 10 July 10am-4.00pm

Ms Janelle Francis, LRC Coordinator
RPA Secondary School Year Group News

Year 7: Morning Tea, Friday 5 June from 9.30am

Year 7 parents are invited to a morning tea at the home of Julie Cowdery. Please RSVP to Julie via stephenandjulie@ozemail.com.au by Monday 1 June. Full details are available on the Parent Portal.

Year 8: Parent/Daughter Dinner, Sunday 14 June at 6.00pm

Year 8 parents and their girls are invited to a Tapas-style dinner at The Runaway Spoon, 6.00pm-8.30pm. The cost is $37 per head and bookings should be made at http://www.trybooking.com/HRUW by Monday 8 June. Full details are available on the Parent Portal.

Year 10: Walk and Talk with your dogs, Monday 1 June at 9.00am

Year 10 parents are invited to ‘walk and talk’ (dogs optional!). Meet at Bert Oldfield Oval (Killara Park), Springdale and Rosebery Roads, Killara. Any queries to Harriet at hoakeshott@optusnet.com.au, Full details are available on the Parent Portal.

Year 10: Mother/Daughter Dinner, Sunday 14 June at 6.00pm

Year 10 mothers and their daughters are invited to dinner at Avondale Golf Club, Pymble. Tickets are $48.50 per person and bookings should be made at http://www.trybooking.com/HUW by Monday 8 June. Full details are available on the Parent Portal.

Year 11: Mums’ Drinks, Wednesday 10 June 6.30pm–8.30pm

To celebrate being two-thirds of the way through Year 11, all mums are invited to joins us for a drink and canapés at The Small Bar, Crows Nest. Tickets are $32 per head and bookings should be made at http://www.trybooking.com/HSAI by Wednesday 3 June. Full details are available on the Parent Portal.

Performing Arts

Music

Upcoming events and ticket details: Ravo Presents, Band Performance, The Beatnix, The Idea of North

Ravo Presents
Tickets for the Final ($17 adult and $15 student) are on sale via [http://www.trybooking.com/HQCC](http://www.trybooking.com/HQCC) for the show on Thursday 18 June and are selling very quickly. Book soon to avoid disappointment.

**Band Performance**

There will be a Band performance on Thursday 11 June from 7.00-8.00pm in the Auditorium, to present repertoire from this semester. Admission is free, no ticket is required. Hope to see you there.

*The Beatnix*

**DanceLife Unite Eisteddfod**

Congratulations to the Junior Dance Company on finishing third at the DanceLife Unite Eisteddfod on Sunday 24 May.

This marks the girls' first performance for the year and a great way to start.

*Miss Ebony Keys, Dance Convenor*

---

**Year 11 Drama Production**

As four children wait for a school bus on a rainy morning in the Australian countryside, they take it in turn to tell stories. On this particular morning, Anna tells a story about a young girl, Heidi, whose father was one of the most notorious men of the twentieth century.

As the play jumps between Germany in the 1940s and the Australian bush in the present day, each of the characters is confronted with issues of morality, personal responsibility and humanity.

The Year 11 Drama class production of *Hitler’s Daughter* opens next week, performing Wednesday 3 and Thursday 4 June at 7.00pm, in the Caroline Trotter Studio. For tickets, go to [http://www.trybooking.com/HVUR](http://www.trybooking.com/HVUR) or [http://www.trybooking.com/137765](http://www.trybooking.com/137765).

*Mr Chris Bird, Drama Coordinator*

Ravenswood Swimming Club Trivia Night

Karl Stefanovic, MC, Mitch Falvey, Head Coach Swimming, James Magnussen

On Saturday, 180 people gathered at Avondale Golf club for the Ravenswood Swimming Club Trivia Night with the Stars, to celebrate the success of our Ravens.

Our MC for the night, Karl Stefanovic, had the room in constant laughter and it was an absolute pleasure having him involved. An exclusive interview by Karl with our very own James Magnussen, capped off what was a thoroughly entertaining evening. Thanks to the organising committee and all those who attended and supported us.

Mr Mitch Falvey, Head Coach Swimming

Community

From the Development Office

Every year, just before the end of the Financial Year, Ravenswood sends out to its community an Annual Giving campaign, advising of areas in the school that need additional financial support.

It also highlights that we can provide tax-deductible receipts for your generous donations to our three registered funds. These are the Building Fund, the Scholarships Fund and the Library Fund.

This year, the focus will be on the Science and Technology Centre (Building Fund) which is currently planned to be opened in Term 1 2016. You will receive a letter and email in the next week with a concept drawing of the exterior of the Science and Technology Centre. To read more about Giving to Ravenswood, or to make an online donation, please visit our website http://www.ravenswood.nsw.edu.au/community/giving/giving

Ravenswood Adults' Evening Chinese Course

Expressions of Interest to Participate in an Adults’ Evening Chinese Course in Term 3 2015

Dear Parents

In 2011, Ravenswood successfully introduced Chinese as our sixth elective language, beginning with Year 7 and a Mandarin Club in the Junior School. Four years after starting the Chinese program, it has already extended from Years 5 to 12, and the number of girls studying Chinese this year has grown to 180.

In addition to the students’ Chinese, the Languages Department is now offering an evening class in Chinese for the parents and staff of Ravenswood as part of the Parental Polyglots grant from the NSW government.

The aim of this class would be to introduce you to the Chinese language and culture, to equip you not only to assist your daughter’s study of Chinese but also to acquire some Chinese language skills yourself.

The program would combine listening, speaking and reading, and the emphasis would be on the development of communicative language. It would include an introduction to Chinese culture and customs. The anticipated time commitment would be one session of one and a half hours, one evening a week, at a time suitable for you and will run for ten weeks in Term 3 this year.

Dr Yan Bai, Chinese Teacher

Please complete the expression of interest form below and return to Student Reception by Friday 5 June, clearly marked ‘For the attention of Dr Bai re Chinese Evening Classes’. Alternatively, email Dr Bai directly on ybai@ravenswood.nsw.edu.au.

Ravenswood Adults’ Japanese Conversation Course

Expression of Interest to participate in an Adult’s Evening Japanese Conversation Course

Commencing in Term 3 2015

We are pleased to announce that the Languages Department is now offering an Adults’ Japanese Conversation Course for the parents and staff of Ravenswood, as part of the Parental Polyglots grant from the NSW government.

This course will provide you with an opportunity to learn not only the Japanese language but also get a taste of its fascinating culture. This experience would also help you to assist in your daughter’s learning of Japanese.

The main emphasis of this course would be to develop effective communicative skills in Japanese. You will learn some useful phrases to get around Japan, such as basic greetings, how to introduce yourself, how to shop and how to order food at a restaurant in Japanese.

Course Length: 10 weeks - 1.5 hours per lesson

Anticipated Lesson Time: 7.00pm- 8.30pm each Thursday

Please complete the expression of interest form below and return to Student Reception by Friday 5 June, clearly marked ‘For the attention of Ms Fukunaga re Japanese Evening Classes’.

Alternatively, you could email Ms Fukunaga directly at sfukunaga@ravenswood.nsw.edu.au.

Transport NSW – Gordon Multi-Storey Commuter Car Park and Interchange Upgrade

The upgraded interchange on Henry Street will open on Monday 1 June 2015. The temporary bus stops on the western side of Henry Street (near the intersection with St Johns Avenue) will be relocated to the new bus interchange. This will affect bus services 195, 196, 197, 560 and 562.

The new interchange provides:

- new bus stands, layover areas, taxi zones and weather-protected waiting areas
- improved way finding and pedestrian facilities including accessible pathways, pedestrian crossing, signage, improved drainage, improved lighting and CCTV surveillance cameras
- a newly paved and landscaped entry area where the bus interchange meets the stops at Gordon Station.

---

**Transport Access Program**
Gordon Multi-Storey Commuter Car Park and Interchange Upgrade

**New interchange open from Monday 1 June 2015**

---

**STAND A**
Services towards St Ives and Mona Vale
195, 196, 197

**STAND B**
Services towards West Pymble and Macquarie University
197, 560, 562

**STAND C**
Arrivals only
Multi-storey commuter car park opening soon

The new multi-storey commuter car park will open to public in the coming weeks following the construction of a new pedestrian crossing and subsequent traffic changes on Henry Street. The car park, which is located underneat the bus interchange, will provide up to 214 free and untimed parking spaces, including five accessible parking spaces. The new facility will also provide 20 bicycle spaces and 19 motorcycle spaces.

Some of the temporary changes made to access, bus stops and parking will be reverted over the coming weeks. Please observe signage. Some night time work will be required during June between 10pm and 3am to carry out the necessary road works such as line marking and removal of equipment to accommodate the opening of the new interchange and car park.

Thank you for your cooperation and patience during this important work.

The new Gordon Multi-Storey Commuter Car Park and Interchange is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Cambodia Film Night 2015

IMMERSION: DOCUMENTARY FILM PREMIERE

ABOUT THE FILM

Can one lesson change the future?

**Immersion** tracks the liminal journey of a group of Knox Grammar School and Ravenswood School for Girls students from their ‘North Shore bubble’ to the slum communities of Cambodia.

These students have bright futures and a burning desire to make a difference in the world. Rather than simply ‘liking’ social justice causes on Facebook they instead volunteer to travel to Cambodia to teach English to disadvantaged students for two weeks.

The preparation, organisation and fundraising before departure is challenging but that is nothing compared to the emotional and physical toll of being out of their comfort zone in a developing country. They leave Australia as students. They arrive in Cambodia as teachers. But what will they return to Australia having learnt?

This is a universal story of courage and everyday heroism of young people supporting communities in need of hope.

**When**

Thursday June 11 2015, 7pm

**Where**

Business Studies Centre Auditorium,
Knox Grammar School, Wahroonga [see map]

**Cost and bookings**

All proceeds to be donated to Mairesabroad, Partner NGO to Knox and Ravenswood’s Cambodia Immersion Program.

Numbers are strictly limited so booking early is essential.
