

RAVENSWOOD GIVING

Ravenswood

Donations and Giving

Educating and empowering young women is at the heart of our School. Igniting potential and inspiring passion for excellence enables young women to flourish and thrive so that they can lead meaningful and purposeful lives.

There is something special about giving to a school. In giving to Ravenswood, you are not only contributing to the legacy of the parents, students, alumni and friends, who have given for over a century, you are continuing the Ravenswood tradition of philanthropy well into the future.

Building Fund and Library Fund

By supporting our Building Fund, you, in turn, are supporting Ravenswood to realise the Masterplan for its teaching and learning environments, transforming the lives of present and future generations of students.

Generous donations have helped facilitate major building projects such as the award-winning Mabel Fidler Building, which encompasses the Learning Resources Centre, and Senior Learning Centre, the Centenary Centre, the Gillian Mapp Memorial Pool, the Strength and Conditioning Centre, and the Petre Innovation Centre.

Fidler Fellowship Bequests

The Fidler Fellowship was established in 2002 to honour and recognise those who offer their commitment and generosity to Ravenswood in the form of a bequest.

Membership of the Fidler Fellowship is open to anyone who makes a bequest to Ravenswood.

Scholarships Fund

Ravenswood offers a number of scholarships each year to current or new Ravenswood students.

Scholarships, covering both full and part tuition fees, are offered to girls commencing at Ravenswood in Year 7 and Year 11 to encourage and acknowledge excellence in our students. We warmly invite you to support our Scholarships Program. Any donation, large or small, is always gratefully received. Your gift will equip and empower students with the skills and abilities to flourish in life, at Ravenswood and beyond our gates.

New Fellows are presented with the Fidler Fellowship pin and, with permission, are acknowledged on an Honour Board.

Our Fidler Fellows are an important part of the Ravenswood community and we take great delight in witnessing the strong bonds between Fidler Fellows and the School.

Commemorative Paver Program

Celebrate your connection with Ravenswood.

Open to all members of the Ravenswood community, the annual Commemorative Paver Program is an enduring way to celebrate your connection with the School. Commemorative pavers are positioned in the Old Girls' Courtyard next to other special Ravenswood members. Your Commemorative Paver, with your personalised inscription, is unveiled in the Old Girls' Courtyard at a Paver Reveal event.

A bequest is a gift specified in your Will

Including Ravenswood in your Will is a very meaningful way of contributing towards the legacy and security of the School and enabling initiatives and opportunities to be embraced by our students, both now and into the future. Your gift will honour you, your family or someone close to you for generations to come – the greatest inheritance possible. We welcome confidential discussions on the lasting impact a generous gift can have.

Ravenswood's motto is *semper ad meliora*, always towards better things, and through your generous donation to the School, we can continue to **provide a breadth of world-class educational opportunities for our students.**

Recent donations are facilitating the design and build of a new Wellbeing Path that will loop around the perimeter of the School campus.

All gifts are gratefully acknowledged or alternatively, you may choose to donate in confidence through our convenient Online Giving platform. Donations to the Building Fund, Library Fund, Scholarships Fund and Commemorative Paver Program are tax deductible.

Your generous contribution will make a difference.
